

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

In Mark 6 Jesus' disciples had just returned from ministering among the people: preaching, healing, helping, and teaching. As they met up with the master they were full of stories, excited about what God had done through them. But as Jesus listened to their stories He knew they needed something special: They needed time away in nature.

Mark records in verse 31: "He said to them, 'Come away to a deserted place all by yourselves and rest a while,' for many were coming and going, and they had no leisure, even to eat."

Sometimes we just need to pause, get away, enjoy time in nature with loved ones, without the pressures of life.

This weekend is designed to be that kind of experience. We're gathering in nature, at camp Wooten, where we can enjoy time together, share food, reflect of God's love, and make memories.

Because we'll be out in nature we will not be holding services at the Eastgate building, nor will we have a livestream.

Feel free to drive up for the day or come for the weekend!

May God bless you with rest and peace this Sabbath!

Today’s Featured offering:
World Budget

The Seventh-day Adventist Church is a worldwide church, and the world budget is our contribution to this global mission.

From the earliest days of the Adventist Church, men and women have responded to Christ’s Great Commission by looking beyond their own shores. Today, Seventh-day Adventists make up one of the fastest growing Christian churches in the world,

with more than 3,000 people being baptized every day! In more than 200 countries and in more than 600 languages, the message of Jesus’s soon return can be heard. Working together, we can make sure the good news of Jesus’ love and soon return continues to be preached worldwide.
