

Welcome to Eastgate SDA Church!

A message from Pastor/Chaplain Luke Self

At my kids' school, Rogers Adventist School, they have a "buddy bench." If a student doesn't have friends with which to play during recess, he or she can sit on the buddy bench. Doing so signals to the other students that he or she doesn't want to play alone, and the other students are encouraged to invite the student on the buddy bench to join their game. It's such a simple, yet wonderful idea to ensure that students aren't left out.

I wish churches had buddy benches, and not just for our kids. Friendship, even for busy adults, is not a luxury we can live without. We need community beyond our immediate family. It's simply the way God made us. And yet, community doesn't just happen. We need to be intentional about developing our acquaintances into friendships.

We may not have a buddy bench at Eastgate, but we do want to help you find community here. That's why we're starting new grow groups in May. We'll spend the month of April promoting all the grow groups in our church, including the new ones, and we encourage you to join one that fits into your schedule and interests.

In this Sabbath's sermon, we'll take a look at Levi Matthew's call to discipleship and discover the powerful role friendships play in our walk with Jesus. We hope you'll join us in-person or online.

Look forward to seeing you there!

Appeal: Proverbs 3:9-10 “Honor the Lord with your wealth, with the firstfruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine.”

Holy to the Lord! We worship God with our offerings because offerings are holy to the Lord. The adjective holy is often associated with the Sabbath and the tithe, but rarely with offerings. However, the Scripture is full of references regarding the holiness of offerings. Among other passages, the Bible declares that two expiatory offerings, the sin and guilt offerings, as “most holy” (Lev. 6:25; 7:1), and the grain and food offerings are described as “most holy part” and “too sacred” (Lev. 2:3; 22:10). The offering is a mean, a very special mean set aside and established by God for His children to worship and enjoy a unique encounter with Him. It was an indispensable component of the life of the children of Israel; neglecting the practice of offering was equivalent to robbing God (Mal. 3: 8) of the honor due to Him. In ancient Israel, through the giving of

offerings, God's children were worshiping and praising Him, celebrating Him as the Giver of the Holy One, affirming Him as Lord, acknowledging Him as Owner, Provider, and Sustainer, showing a willingness to obey, supporting the holy ministry, and being a blessing for many. God set the amount or value of some offerings, and for other offerings, He left it to the personal choice of the worshiper. Nonetheless, according to what one has received, the general principle was always to give in proportion (Deut. 16: 17) and give the very best to God as offerings (Lev. 22:20). Today, it is common knowledge that the ratio of tithe to offerings is often in favor of tithe. During the COVID-19 pandemic, we observed a clear trend: there was a significantly higher reduction in offerings than in tithe, although in the world field (2020), both declined; however, by the grace of God and the faithfulness of His people, over all, tithe increased (2020). This week, as we worship with our regular offerings let us acknowledge the holy functions of offerings.

Prayer: Lord, we praise You for the privilege to worship. Please help us to value the holy practice of offerings.

Mother's Room ~ Small Child Space for Fathers

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary.

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

Face to Face Weekly Prayer Meeting in the Church Youth Room!

Keeping the financial health of our church in mind ~ Giving Plan

How your local church budget fits into "My Personal Giving Plan"

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5% of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10% of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5%
- Conference Advance: 1-2%

(Education, evangelism, VBS, summer camps, and union magazines)

- World Budget: 1-3%

*Visit www.personalgivingplan.com to see a more extensive breakdown for each category.
