

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

A favorite game that kids have played for generations is hide and seek. I'm sure you played it when you were little, maybe you still play it, whether you're a kid or not. It's just a fun game.

It's possible that this game has been played for as long as there have been kids. Maybe Cain, Abel, and their siblings played it on the borders of Eden.

But they wouldn't have been the first ones to play this game.

The first time this was done it wasn't a game.

This Sabbath we're studying Genesis 3 where Adam and Eve "played" hide and seek with God. When they hid it wasn't out of fun, it was out of shame and fear.

Join in this Sabbath as we explore what was going on in their hearts when they hid from God and as we rejoice over the grace that God extended to them and to us, today!

We'll be gathering at 10:00 for Sabbath School and 11:15 for worship. As always, you're welcome to join online at our [YouTube Channel](#) if you aren't able to gather with us.

Have a happy Sabbath!

~Pastor Eric

April 23, 2022 — Upper Columbia Conference Advance

Appeal: Malachi 1:6 “A son honors his father, and a servant his master. If then I am the Father, where is my honor due me? If I am a master, where is the respect due me?” says the Lord Almighty.

The Master’s Appeal. We worship God with our tithes and offerings in response to the call to acknowledge God as Master. Acknowledging the real Master can sometimes be a struggle.

The captain of the ship looked into the night and saw faint lights in the distance. Immediately he told his signalman to send a message, “Alter your course 10 degrees south.” Promptly a return message was received: “Alter your course 10 degrees north.” The captain was angered; his command had been ignored. So, he sent a second message: “Alter your course 10 degrees south—I am the captain!” Soon another message was received: “Alter your course 10 degrees north—I am seaman third class Jones.” Immediately the captain sent a third message, knowing the fear it would evoke: “Alter your

course 10 degrees south—I am a battleship.” Then the reply came, “Alter your course 10 degrees north—I am a lighthouse.” Not acknowledging the One in charge, the real Lord, is always risky. For this reason, Malachi appealed to God’s people to return and acknowledge Him as Master. Hearing the call, the people responded in Malachi 3:7, “How are we to return?” In response, the Lord reminded His people that they had departed from Him by robbing Him in tithes and offerings. Each time we consider money as our source of status, protection, security, and even love, we elevate it to the rank of lord in the place of the real Lord. We allow money to compete with God for the position of Lord. The system of tithing was established to acknowledge God as Lord and Master. This week, let us not miss the opportunity of reiterating our confession of God’s Lordship by worshiping Him with our tithe and regular offerings.

Prayer: We are blessed to have you as Father and Lord. May our actions and giving reveal that we honor you as Lord and Father.

Special Mission Appeal

Hello! We are Dennis & Sharon Reed. We have a friend who collects eye glasses to give out to people in different countries who are in need. She has many miraculous and wonderful stories of people who have received eye glasses on these trips. She takes prescription glasses, reading glasses, and sun glasses. We will be meeting up with her May 1 as we are going on a Maranatha trip together to Camp MiVoden. If you have any extra eye glasses you can spare please bring them to church and give to us or call me at 503-812-6640 if you need me to pick them up. Thank you so much! There will be a basket to receive donations in the lobby/foyer.

Mother's Room ~ Small Child Space for Fathers

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary. *Please do not leave children there unsupervised.*

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

Two Services to return to Eastgate SDA Church ~ June

At the April church board a discussion focused on our increased church attendance and the possible need for implementing a second church service. Suggested model would be Early Service – Sabbath School – Second Service. This will require more staff on the part of Deacons and Deaconesses in the lobby area. It was also suggested that they act to help those entering late to find seating. Target date to start this is June 4, 2022. Details remain to yet be worked out.

If you would be interested in joining a team to help support this transition please speak with the team leaders for Greeters, Deacons, Deaconesses, A/V, an Elder or the Pastor.

Keeping the financial health of our church in mind ~ Giving Plan

How your local church budget fits into "My Personal Giving Plan"

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5% of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10% of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5%
- Conference Advance: 1-2%
(Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3%

*Visit www.personalgivingplan.com to see a more extensive breakdown for each category.
