

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

A couple of years ago Josh and I took an afternoon to bass fish at our favorite hole on the Walla Walla river. The day was warm the water was great but access to the river is pretty limited by dense brush. Periodically along the bank there are small trails that lead down to the water where an angler can cast a line so I worked from trail to trail, testing different lures, depths, and retrieval speeds.

After a few hours and having caught several fish I decided to catch up with Josh who had hiked a little further down river. Climbing up the short trail I reached the top of the bank emerging into the warm sun. I paused for a moment, soaking in the energizing solar rays when I heard something behind me ... a rustle in the underbrush, then a sound that was unmistakable: the buzz of a rattle snake's tail.

I froze, not knowing exactly where the sound was coming from and wanting to avoid stepping on the venomous reptile. Silently I waited and watched, and then I saw it. A triangle head poked out of the brush onto the path I had just trod. Forked tongue licked in and out, relaying chemical information to it's Jacobson's organ on the roof of its mouth. He knew I was near.

Slowly he slithered on his belly across the trail and silently disappeared into the brush on the other side.

Into my mind came the verse in Genesis 3 "...on your belly you shall go..."

This Sabbath we're continuing our Creation Series study and we'll be exploring the first prophecy of Scripture found in Genesis 3. In this prophecy God tells us about a Woman, a Snake, and a Descendant. I hope you can join in!

Remember, if you are not able to join us, you can watch us live or later on our [YouTube Channel](#). May this Sabbath bring you rest and rejuvenation!

~Pastor Eric

Disaster & Famine Relief

Appeal: Galatians 6:2 “Carry each other’s burdens, and in this way, you will fulfill the law of Christ.”

Adventist Community Services (ACS) works with the local conferences and disaster response agencies to equip volunteers to serve and assist the community, providing disaster assessments, sheltering services, donation management, home reconstruction, and emotional and spiritual care.

In 2020 – 2021, COVID-19 caused a heavy toll on ACS Food Pantries/ Centers, yet our volunteers continued to serve families and individuals who were facing challenges due to this crisis. NAD ACS invested 2 million dollars to assist in providing food to our neighbors who struggled during this difficult time.

When you give to ACS and ADRA, YOU make it possible for the Adventist Church to respond immediately both nationally and internationally to help survivors of hurricanes, fires, floods, earthquakes, famine, and other crisis.

Sabbath, May 14, 2022 is the Disaster and Famine Relief Offering. If you wish to support the Offering, please donate at your local church or online here.

We want to thank everyone for your dedicated ongoing support to Adventist Community Services, whether it is through sacrificial giving, volunteering, or prayers.

Prayer: Lord, we are thankful for both the raw materials and the ability to produce wealth. You are indeed the Provider of everything.

What and who is Gospel Outreach?

WHO is Gospel Outreach? Gospel Outreach is a nonprofit organization dedicated to extending the international ministry of the Seventh-day Adventist Church in the 10/40 Window.

THE MISSION: More than 3 billion people haven't had a chance to hear the gospel. An estimated 97% of those people live in the 10/40 Window. They must be reached.

THE NEED: Indigenous Bible workers are most effective at reaching their family, friends and neighbors. Many more are needed. You can help sponsor Bible workers as they share the gospel. For more information on this international ministry visit: <https://goaim.org/>

JOIN THE LIVE-STREAMING TEAM !! Interested People Needed

Brian Hartman who leads the Live-Streaming Team is looking for one or two more individuals who would be willing to learn and assist in the ministry of our On-line Worship Service. There are those who use our YouTube as an option for viewing for a variety of reasons. We need to expand the team and he would be happy to speak to anyone who might be interested. Contact Brian at hartmaninbox@gmail.com or 509-240-6607 text or voice call.

Mother's Room ~ Small Child Space for Fathers

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary. *Please do not leave children there unsupervised.*

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

Two Services to return to Eastgate SDA Church ~ Moved to August 6, 2022

At the April church board a discussion focused on our increased church attendance and the possible need for implementing a second church service. A statement was issued that we would start this the first weekend of June. However, after further review and in-pur from ministry leaders, a small steering

committee for the addition of a second service at Eastgate church has decided to postpone the start date to the first Sabbath in August – August 6.

This change of date will allow some very specific time of preparation.

Preliminary discussion has suggested a format of Early Service – Sabbath School – Second Service. This will require more staff on the part of Deacons and Deaconesses. Additional Greeters will be needed so individuals are not on their feet throughout the full morning. Details remain to yet be worked out, yet if you would be interested in joining a team to help support this transition, please speak with the team leaders for Greeters, Deacons, Deaconesses, A/V, an Elder or the Pastor.

Keeping the financial health of our church in mind ~ Giving Plan

How your local church budget fits into "My Personal Giving Plan"

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5% of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10% of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5%
- Conference Advance: 1-2%
(Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3%

*Visit www.personalgivingplan.com to see a more extensive breakdown for each category.
