

## *Welcome to Eastgate SDA Church!*

### *A message from Guest Speaker Brent Scully, Gospel Outreach President*

A number of years ago, I was roofing a house here in College Place, WA.

Upon taking a lunch break I hurriedly clamored down the ladder, (lunch was a break I really appreciated) took my gloves off, climbed in my truck, and headed home for some good food. Later that evening I sadly noticed that my wedding band was missing from my finger. I searched my thoughts and tried to retrace my steps throughout the day to see if I had absentmindedly left it somewhere or worse yet maybe lost it. I looked and looked and relooked some more but to no avail, it wasn't anywhere to be found.

Just as I was about to accept the unintended fate of the lost ring, something impressed me to pray. Pray? Why should I pray about something very materialistic even though it did have sentimental value? Being that I was studying on the power of prayer and learning how to trust Jesus' will for my life, I thought that would be a great idea and why didn't I think of that sooner? I prayed and as I opened my eyes I thought maybe it will be sitting right in front of me? Nope! No ring! Oh well, maybe God will show me someday where it is.

Two weeks went by and I remember being up on the roof for something else and as I was getting ready to climb down the ladder, something bright flashed in my eye from across the 1/4 acre lot. "What was that?" I thought. I kept my eye on the spot where it flashed as I climbed down the ladder, I kept looking at it as I walked across the lot and went to the spot. Wouldn't you know that the very top edge of my wedding band was just barely exposed in the mud gleaming at me from across the yard. "Wow!" I thought, "That was a miracle!"

That day Jesus gave me a flash of His glory and reminded me that He is concerned with the little things in our lives too. And, He is so intimately involved with our lives that He thinks about us nonstop every day, and desperately wants us to know and Trust Him!

Thank you, Jesus for that kind of watchful love and care us!

**May 21, 2022 — Local Church Budget**

**Appeal:** 1 John 3:16 “This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters.”

**Demonstrate Self Denial:** We worship God with our resources because of His sacrificial love. Jesus left heaven, and He embraced the plight of fallen humanity. He accomplished his mission against fearful odds and dire resistance. Finally, He offered it all, His own life. This is how He demonstrated love. As God’s representatives, a sacrificial spirit is part of our true identity. That was the spirit demonstrated by our church’s pioneers, and J.N. Andrews was a leading figure among them. John Andrews was a widow with two children when he accepted a call to go to Europe as the first official Seventh-day Adventist missionary. He accepted the call without knowing what his specific salary would be. They agreed to send him money from time to time, but this was not done as regularly as

needed. For him to publish tracts, pamphlets, and the French periodical “Les Signes des Temps” he often had to use his own funds, sometimes going without food and other necessities. He contracted pneumonia in 1877, and after the examination, the physician commented: “This man is almost starved to death!” One year later, his daughter contracted tuberculosis. Andrews brought his daughter home to Battle Creek and she was treated by Dr. J. H. Kellogg, but she sadly passed away. The committed missionary nevertheless returned to Europe to continue his groundbreaking work until he died of tuberculosis at the age of 54. We are living in a time where money and other resources are hard to find. Waiting for surplus or leftover resources to support the mission could be a pious wish. In this context, these words of Ellen White are most relevant: “Those who profess to be one with Christ and indulge their selfish desires for rich and expensive clothing, furniture, and food, are Christians only in name. To be a Christian is to be Christlike.” (Review & Herald, Oct. 13, 1896). This week, may our tithe and regular offerings reflect a spirit of self-denial, the Spirit of Christ.

**Prayer:** *Lord, we praise You for consenting to the greatest of all sacrifices to save us. Help us demonstrate the same sacrificial spirit in our daily lives, including how we use our resources.*

### **Mother's Room ~ Small Child Space for Fathers**

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary. *Please do not leave children there unsupervised.*

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

### **Two Services to return to Eastgate SDA Church ~ Moved to August 6, 2022**

At the April church board a discussion focused on our increased church attendance and the possible need for implementing a second church service. A statement was issued that we would start this the first weekend of June. However, after further review and in-pur from ministry leaders, a small steering committee for the addition of a second service at Eastgate church has decided to postpone the start date to the first Sabbath in August – August 6. This seems to make sense in several ways:

- It will give us more time to prepare all the details that this change requires.
- It will accommodate the likely dip in summer attendance.
- It will still allow for a few weeks of double services before attendance increases when school resumes at the end of August. This change of date will allow some very specific time of preparation.

Preliminary discussion has suggested a format of Early Service – Sabbath School – Second Service. This will require more staff on the part of Deacons and Deaconesses. Additional Greeters will be needed so individuals are not on their feet throughout the full morning. Details remain to yet be worked out, so if you would be interested in joining a team to help support this transition, please speak with the team leaders for Greeters, Deacons, Deaconesses, A/V, an Elder or the Pastor.

### **Family from the Milton SDA Church**

Dear Friends,

The Tollgate/Weston tornado this May 6 has made our home unlivable. I was home at the time and am so thankful for God's protection. It could have been so much worse!

We are in need of a home to rent with at least 2 bedrooms that is dog friendly and has room to park our motor home during the winter months; assuming it may be a while before we can rebuild. We have one 8 year old, well behaved dog.

Thank you for any direction you can give.

Keep Looking Up!

Camp MiVoden is thrilled this summer to be hosting two Abba's Child Grief Camps: one for juniors (age 9-11) and one for teens (age 12-16). Abba's Child Camps are designed to minister to children who have experienced the recent death of an immediate family member, with no cost to the child's family. The concept is simple: place a grieving child in a place where adventure abounds, surround them with people who understand and relate to what they are going through, and watch as they begin to open up. To learn more and to apply, visit [mivoden.com/summer-camp](http://mivoden.com/summer-camp).

### **Keeping the financial health of our church in mind ~ Giving Plan**

How your local church budget fits into "My Personal Giving Plan"

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5% of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10% of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5%
- Conference Advance: 1-2%

(Education, evangelism, VBS, summer camps, and union magazines)

- World Budget: 1-3%

\*Visit [www.personalgivingplan.com](http://www.personalgivingplan.com) to see a more extensive breakdown for each category.
