

Welcome to Eastgate SDA Church! *A message from Pastor Eric Saylor*

I went for a walk yesterday. Not just around the block, I covered four miles.

It was a lovely day. The sun warmed my back, birds were singing, the Blue Mountains radiated a vibrant green, lush from the recent spring rains. What a beautiful day to exercise.

Having fun wasn't my only reason to walk, however. My ultimate reason was health. I want to be healthy.

There are many things that influence health: movement, nutrition, sleep, good relationships, and many other things. Some of those things come easy, others are less automatic. For me walking is nearly automatic. I love it.

Eating healthfully is another story. It's far too easy to eat what's convenient and quick. Healthy nutrition takes effort and intentionality.

Not only does physical health take intentionality, so does church health.

I believe it's God's desire for Eastgate to be vibrant, healthy, thriving.

This Sabbath we're starting a new sermon series exploring what makes a church healthy. Please join us as we study this important topic that we can all influence!

As always, feel free to [join in online](#) or in person. If you're feeling ill we encourage you to join in virtually, and let us know so we can pray for you!

I hope this Sabbath brings you encouragement, rest, and rejuvenation.

~Pastor Eric

Appeal: 1 Peter 1:20 "He was chosen before the creation of the world but was revealed in these last times for your sake."

Salvation is Not an Afterthought.

We give systematically and regularly because the divine Model has demonstrated that His giving to humanity was not an afterthought. The plan to offer His Son and rescue humanity from sin was elaborated before the creation of the universe, and at the set time, Jesus came to planet earth.

This clearly illustrates the consideration of a loving God for fallen humanity. In response to the example set by the greatest Giver, Apostle Paul gave the following admonition to the believers in Corinth, "On the first day of every week, each one of you should set aside a sum of money in keeping with your income, saving it up..." (1 Cor. 16:2). Giving that is planned honors the receiver. Think about your feelings when you receive a belated birthday note from

someone whom you consider close and important to you. Sometimes the message comes when they see your social media post thanking others for their well-wishes. These belated notes are rarely the most valued. When we want to show someone that he or she counts and is special, we usually mark our calendar and even add a reminder for us not to miss the important event. The best expression of love is both spontaneous and planned. Which type of giver are we when we have to express love and thanks to God? Do we depend solely on the prompting of our impulses and feelings? Are we those who asked the deacon to wait while we dig deep into our purse or pocket? Or do we remember about returning tithe and giving offerings when we see an expectedly higher balance on our bank statement at the end of the month? How do we honor the Savior who does not treat us as an afterthought? This week, as we worship with our tithe and regular and systematic offerings let us show that our God is first and foremost.

Prayer: Lord, the plan of salvation tells us how much You love us and are important in Your sights. In response, please help us to emulate the same consideration for You and others.

Expansion of Support Teams for Audio/Video and Live-Streaming ~ Help Wanted!

We are trying to gear up for two services starting August 6. This is one area of ministry where more experienced operators would help to lighten the load.

Brian Hartman who leads the Live-Streaming Team is looking for one or two more individuals who would be willing to learn and assist in the ministry of our On-line Worship Service. There are those who use our YouTube as an option for viewing for a variety of reasons. We need to expand the team and he would be happy to speak to anyone who might be interested. Contact Brian at hartmaninbox@gmail.com or 509-240-6607 text or voice call.

Mother's Room ~ Small Child Space for Fathers

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary. *Please do not leave children there unsupervised.*

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

Two Services to return to Eastgate SDA Church ~ Moved to August 6, 2022

At the April church board a discussion focused on our increased church attendance and the possible need for implementing a second church service. A statement was issued that we would start this the first weekend of June. However, after further review and in-input from ministry leaders, a small steering committee for the addition of a second service at Eastgate church has decided to postpone the start date to the first Sabbath in August – August 6. This seems to make sense in several ways:

- It will give us more time to prepare all the details that this change requires.

- It will accommodate the likely dip in summer attendance.
- It will still allow for a few weeks of double services before attendance increases when school resumes at the end of August. This change of date will allow some very specific time of preparation.

Preliminary discussion has suggested a format of Early Service – Sabbath School – Second Service. This will require more staff on the part of Deacons and Deaconesses. Additional Greeters will be needed so individuals are not on their feet throughout the full morning. Details remain to yet be worked out, so if you would be interested in joining a team to help support this transition, please speak with the team leaders for Greeters, Deacons, Deaconesses, A/V, an Elder or the Pastor.

Weekly Prayer Meeting in the Church Youth Room!

This group meets every Wednesday Evening at 6:30. Please join us as we experience the power of the Holy Spirit being poured out on our church. “There is great need of secret prayer, but there is also need that several Christians meet together and unite with earnestness their petitions to God.” – *In Heavenly Places*, p. 91. Questions? Please call Carol at 509-200-0587 or Dixie at 509-301-2827.

Abba’s Child Camps are designed to minister to children who have experienced the recent death of an immediate family member, with no cost to the child's family. The concept is simple: place a grieving child in a place where adventure abounds, surround them with people who understand and relate to what they are going through, and watch as they begin to open up.
