

Welcome to Eastgate SDA Church!
A message from Elder David Jamieson, Guest Speaker

It's All About Jesus

Do you remember when either you, a sibling, or one of your children or grandchildren, burst into your house carrying a water-filled bag in which swam a wide-eyed burst of sunshine?

They came through the door saying, "Look! Look! Look, at what I've got!"

Do you remember carefully dumping this new little pet into a fishbowl and gathering around your family table to select a name for this new family member?

Of course, you thought the name was ridiculous because maybe they called him Sebastian of all things.

Do you remember how he became the star of the whole family for the first week or so, but then after a little while everyone became kind of bored? Even the kids.

Well, you couldn't find fault with Sebastian. He did everything expected of a family fish. He swam in circles, and he surfaced on cue to gobble his food. He never jumped out of his fishbowl into the sink. He spent his nights nestled, submerged against a green leaf. He was quiet and contained.

Kind of like the Jesus of many people today. He is small enough to be contained in a little bag or maybe in a little aquarium that fits on your cabinet in your living room.

Package him up. Send him home with the kids. Dump him in a bowl and watch him swim. A lot of people only have a goldfish bowl Jesus, especially when difficult times come their way, but if you do, you better steer clear of the real Jesus because He's able to do the supernatural. He's a superhero. He can calm the storms in your life and He can set you free.

Jesus is the only light that shines and never fades. No one has changed the world more than He has.

He's the God of the Galaxies, the Great I am, and His greatest desire is to fulfill your deepest heart longings and to save you forever in His Kingdom.

It really is all about Jesus!

I look forward to spending the weekend with the Eastgate Church Family!

~ Elder David Jamieson

Welcome Elder David Jamieson as our Guest Speaker

Elder David Jamieson, our president of Upper Columbia Conference came to us from the position of pastor of Church in the Valley, located in Langley, British Columbia, Canada. He had been serving there for just over 20 years.

“My passion in ministry is reaching out to lost men and women and boys and girls with the everlasting gospel, in the context of the three angels' messages, and helping them prepare for the soon return of the Lord Jesus Christ,” said David. “We want to encourage everyone everywhere to love God, love people, and serve the world.”

Elder Jamieson will be speaking at our retreat weekend with a core theme of “It’s All About Jesus”.

Local Church Budget

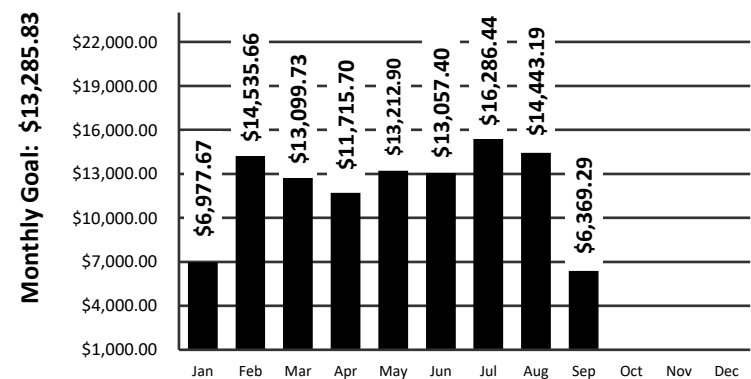

Appeal: Romans 5:8 “But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.”

The Blind Giver Attitude: We worship with our resources because we follow the example of our God, who is a Blind Giver. When God gives, He rarely focuses on the nature of the recipients or even the outcome. He gives out of love. Faithful to this attribute, “He causes his

sun to rise on the evil and the good and sends rain on the righteous and the unrighteous” (Matt. 5:45). In contrast, we are inclined to give exclusively to what we see and whose outcome we can control. As a result, some have withdrawn from participation in tithe and regular offering, not seeing the direct effect of their contributions. Others have resolved to support only local projects rather than a worldwide mission, far from their eyes. This is not the “blind giver” attitude. We have a glimpse of what can happen when God’s people reproduce the “blind giver” attitude. Have you heard about “The Amazon of Hope,” a floating church? It is not known by most of us, and even fewer have visited this boat church. However, this project has materialized through the “blind giving” mindset. In 2016, God’s children from all over the world pulled funds together to support the 13th Sabbath projects, and one implemented project was the floating church, “The Amazon of Hope,” in Brazil. The result is inspiring. In the first 12 full months of operation of the boat church, two hundred and eighty-six people were baptized, and planted three churches in 2017. And this is the testimony of Pastor Reno, who served on the Amazon of Hope: “The boat church is God’s way of saving people who have been forgotten by political, economic, and health systems.” God, our Example, is involved in a global mission towards those that we see and cannot see, towards those that we know and do not know. This week, as we worship with our tithe and regular offerings we have another opportunity to demonstrate the same global mindset as our God.

Prayer: Lord, we are inspired by Your universal and blindfolded generosity towards humanity. Please help us be givers in Your likeness.

Training Room ~ Library

We have completed the repainting of this area. Thank you for enjoying this space where you can deal with active preschoolers and still stay connected to the worship service.

Mother's Room ~ Small Child Space for Fathers

Our Mother's Room is a space for new mothers where they can care for the needs of their infants and toddlers and still be able to engage with and follow along with the worship process in the main sanctuary. *Please do not leave children there unsupervised.*

Fathers who may need to take their turn at caring for their young ones should be aware of a multi-use space in what we call our library. There are a couple of rocking chairs for calming little ones who may need to be snuggled. This room is also a transition room where training of little ones can take place as needed. This room will continue to be a multi-function room where committees and small groups can meet during the week and during Sabbath school time.

Please bring your own quiet toys for your child.

Up-date on our Sanctuary Project

After dealing with a glass company out of Tri-Cities and their sales person, we were disappointed when he, the salesperson, left the company. We have tried multiple times to connect with the company and continue the process of replacing the windows in the sanctuary. We have been unable to get appropriate responses from that company.

We have now initiated contact with another vendor and will soon have a bid from that company. The likelihood of product availability within the next 30 – 60 days is near 0%. Sadly, that work may well get postponed until next spring.

We will move forward with the installation of the new wall which create a storage area behind the Organ as soon as the contractor is available. At the same time we will be addressing matching the wall texture and repair of a spot on the South wall. As these steps are completed we will begin the process of repainting the walls of the sanctuary starting from the back and moving forward on both sides as we go.

We have completed the repainting of a couple of rooms as we strive to keep our meeting spaces in good condition. We will continue to move from space to space as time and money allow. One room we are still working on is the women's restroom. The hole in the ceiling has been closed and preparation for taping and texturing is under way. Repainting will occur when this texturing step is completed.

Thank you for your continued support and care for our facility.
