

## *Welcome to Eastgate SDA Church!* *A message from Pastor Eric Saylor*

When I was in high school I had the opportunity to visit Kenya.

Our purpose was to help build a church and share evangelistic messages in video form with the local Masai people.

Flying to a distant land like this is exhausting. We started in Spokane, flew to Seattle, then London, and finally to Nairobi.

By the time we arrived I was nearly asleep on my feet. I've never rested well on airplanes so that first day I wasn't really alert. Luckily it was a Sabbath so we had a day of rest to recover, though I kept nodding off as we worshiped at an outdoor church service.

This Sabbath we're continuing our series in the book of Hebrews by exploring the rich concept of Rest in Christ. I hope you can join in!

We have worship at 9:00 and 11:30 with Sabbath School in-between at 10:15.

We'll be streaming our second service on our [YouTube Channel](#), feel free to join in there if you can't come in person.

Have a restful Sabbath!

~Pastor Eric

# Centered in You

By Rhondeen Smith

Called to the field, whether cold or dark  
Molded to minister to the weary heart  
Bold to preach, words of life to impart  
The gospel of Christ as the solitary mark.

Answering they enter into the fray  
Pliable in the hands of the Potter  
Humble to help every son and daughter  
Fill with the Holy Spirit, we pray.

Lead and guide them to Your throne  
May they behold Your glory  
Help them to tell Your sweet story  
Though they are weary to the bone.

Center our pastors, Lord, in You  
Blind them to self each day  
Obstruct the enemy's incessant foray  
May Your heart they always pursue.

**Appeal:** Lev. 17:5a “This is so that the Israelites will bring their sacrifices they are now making in the open fields. They must bring them to the priest, that is, to the Lord, at the entrance to the tent of meeting and sacrifice them as fellowship offerings.”

**One Place...One God.** We bring our regular offerings and tithe to church because it is part of true worship.

Leviticus 17:5 gives instruction about the appropriate place to offer sacrifice in Ancient Israel. There was a central place to give, with no provision for alternatives. One may legitimately ask why the place was so significant. Interestingly, the text focuses not only on the place, the tent of meeting, but also on the One who received their sacrifices, the Lord. For the Israelites, the tent of meeting was the “tabernacle of the LORD,” the place where the Lord resides. Ultimately, the restriction about the place had to do with who they were worshipping. Relocating the place where they brought their sacrifices was typical of idol worship at the time. God designated one place for sacrifice because He wanted to be the sole object of their worship. Today, the appropriate destination for tithe and regular offerings remains a frequently asked and debated question. The example of King David provides us with an answer: “I will come to your temple with burnt offerings and fulfill my vows to you—” (Psalm 66:13). Ellen G. White applies this principle to God’s people today: “The time has come when the tithes and offerings belonging to the Lord are to be used in accomplishing a decided work. They are to be brought into the treasury to be used in an orderly way to sustain the gospel laborers in their work” — Manuscript Release, vol. 19, p. 376. She specifies that place as the church treasury with the appropriate agency to support God’s mission. However, this does not remove our social responsibility towards the poor and needy. We should apportion special donations for this purpose (Ellen G. White, Welfare Ministry, p. 275). This week we have another opportunity to bring our tithe and regular offerings to God’s church. While we worship at God’s designed place, let us choose once again to make Him the sole object of our worship.

**Prayer:** Lord, we thank You for the instruction about the destination and usage of our tithe and regular offerings. Help us trust Your wisdom and remain faithful.

### **Refurbishing Projects here at Eastgate**

Have you noticed the fresh coat of paint in the sanctuary? A subtle difference. We appreciate your patience as we work on additional projects including painting, wall construction, etc. We are trying to reconnect with the glass companies for fresh information and move forward after the personnel changes at company #1 and company #2's bid almost 3x the amount of company #1.

We would appreciate your help in taking care of our church facilities. If you participate in an event where food or drink are part of the process or inside~outside traffic is involved; will you help by making sure that spills are cleaned up immediately? That children are monitored so as to reduce excess yard debris being tracked indoors? When spills, mud, dirt, etc. are left for someone else to clean long term damage often occurs. Thank you for your conscientious acts of service.
