

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

I have a favorite kitchen knife. It's different than all our other knives.

Our other knives are the usual set that we were bless with as a wedding present nearly 20 years ago. They still work, I maintain their edges and they do the job.

But my favorite knife is different.

It's a medium-large Santoku knife that lives in a drawer away from the other knives in it's own private sheath to protect it from all damage and I wash it by hand so it doesn't become dulled by the dishwasher.

This knife is sharp. It glides through vegetables like butter, it releases what it cuts because of the "granton edge," and its handle perfectly fits my hand.

I love using this tool.

But there's something that's even more precious and sharp: The Word of God.

This Sabbath we're continuing our study of the book of Hebrews as we explore a topic entitled: Shaper than a Sword. I hope you can join in for worship!

If you aren't in town or don't feel well feel free to worship online at our [YouTube Channel](#). The livestream will begin at 11:30.

I wish you a restful and happy Sabbath

~Pastor Eric

Local Church Budget

Appeal: 1 Timothy 6:17 “Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment.”

Beware of Misplaced Hope. We worship God with our resources because this protects us from misplaced hope. As humans, we tend to trust in something or someone bigger than ourselves. We do

not control all aspects of our existence. In the absence of hope, our lives are overwhelmed by anguish and despair. One natural inclination is to put our confidence in the resources that we have accumulated. They are visible and measurable, leading us to think that they are sure. However,

Church Budget 2022

according to Paul, it is safer to place our hope in the Source of wealth than in wealth. Mark, from South China, was deeply moved by a call for offering, and he brought 30% of his total saving as his offering. Unexpectedly, he experienced a severe financial crisis soon afterward. His new business collapsed, and he fell into debt. Life's uncertainties! During this time, he heard an appeal for a new church building at the cost of 10 million Chinese Yuan. Mark realized that it was a rare opportunity to advance God's mission in his province of over 60 million population. Impressed by the Spirit, he made a commitment of 400,000 Chinese Yuan, with no idea where the money will come from. Then something amazing happened: the shareholder of his former architecture company invited him to resume work with them. He accepted the offer and was promoted to be an executive officer and board director in a short time. Mark ended up contributing 1 million Chinese Yuan to the church building project. Looking backward at his life's experience, he wrote: "The grace of the Lord is like endless running water." Mark demonstrated trust by giving His fleeting resources to worship the God who richly provides for everything. This week, as we worship with our tithe and regular offerings let us make a statement about where our hope resides.

Prayer: Lord, we praise You for being a sure hope for Your children. Protect us daily from the deception of misplaced hope.

Refurbishing Projects here at Eastgate

Have you noticed the fresh coat of paint in the sanctuary? A subtle difference. We appreciate your patience as we work on additional projects including painting, wall construction, etc. We are trying to reconnect with the glass companies for fresh information and move forward after the personnel changes at company #1 and company #2's bid almost 3x the amount of company #1.

We would appreciate your help in taking care of our church facilities. If you participate in an event where food or drink are part of the process or inside<>outside traffic is involved; will you help by making sure that spills are cleaned up immediately? That children are monitored so as to reduce

excess yard debris being tracked indoors? When spills, mud, dirt, etc. are left for someone else to clean long term damage often occurs. Thank you for your conscientious acts of service.

Eastgate SDA Church Thank you!

Super Duper Thank You!!!

Thank you to a crew that helped plant new Arborvitae in our front yard East boundary! Many hands made the work a little more durable!

Also a Very Big SHOUT OUT to Larry Henderson who brought a big piece of equipment and spent about six or eight hours out back leveling ground, removing brush and standing dead trees and removing from the brush a large quantity of steel! We are now ready to burn another massive pile of brush and wood ~ just waiting for a good rain which looks like maybe this weekend!

We still have a goal of removing the scrub trees along the Western fence line. Chain saws and safety equipment will be needed for removing trees and shrubs. We will be looking to schedule another work day in the next few weeks! More information on this from Carol Hargreaves.

Beautiful Windows? ~ Did you notice??

The custodian for the church has struggled for the last several weeks to get the glass doors and windows clean (the custodian is the office manager, also the editor of this newsletter ...) This week a special person came in and spent at least four hours working to clean the inside and outside of the lobby windows and it looks *So Much Better!* Thank you so much for your help Mary!

Yumm Sauce

- adapted from Café Yumm recipe by Rachelle Hartman

¾ c water

¾ c avocado oil, light olive or canola oil

3 TBSP lemon juice, fresh tastes best

3 TBSP orange juice, or 1TBSP orange juice concentrate

¼ c raw almonds

½ c cooked garbanzo beans

2 TBSP nutritional yeast

1 clove garlic

1 TBSP soy sauce or tamari (add ½ tsp salt if using low sodium soy sauce)

Optional: ¼ tsp chipotle powder

Blend on high in Vitamix or similar high-quality blender for 1-2 min until it gets smooth and thick. It thickens some when refrigerated. You can add more oil or water to desired consistency. Stores nicely in fridge for 7-10 days.
