

Welcome to Eastgate SDA Church!

A message from and about our Guest speaker, Dr. Roger Seheult

The first presentation: "Simon's Feast" Sabbath Morning Services; Early & Second services

The issue of Righteousness by Faith is one of great import. What can one of the last meals of our Savior and the details of the woman with the alabaster jar tell us about this great topic? Join us as we delve into the narratives of both the old and new testament to better understand salvation and specifically Righteousness by Faith.

The second presentation: "Light as Medicine" Sabbath Afternoon

"Let there be light." Those were the first words our creator proclaimed on creation week. How seemingly simple it was. However, science is finding out how deep and complex the interaction is with the human body. Join us as we show how you can leverage your interaction with light to optimize your health in ways you never thought was possible. Seen by millions, many have acknowledged that this presentation changed their lives. Find out why.

MedCram Co-Founder & Instructor: Dr. Seheult is currently an Associate Clinical Professor at the University of California, Riverside School of Medicine, and an Assistant Clinical Professor at the School of Medicine and Allied Health at Loma Linda University.

Dr. Seheult is quadruple board-certified in Internal Medicine, Pulmonary Diseases, Critical Care Medicine, and Sleep Medicine through the American Board of Internal Medicine.

Roger's current practice is in Beaumont, California where he is a critical care physician, pulmonologist, and sleep physician at Optum California. He lectures routinely across the country at conferences and for medical, PA, and RT societies, is the director of a sleep lab, and is the Medical Director for the Crafton Hills College Respiratory Care Program.

March 4, 2023 ~ Church Budget

This is the time during the worship service when the person in front says something like, "Now is the time when everyone can participate in the worship service." This implies all people present should take out a wallet to put something in the offering. It also suggests that the other parts of the worship service aren't for everyone.

Let's really do something today in which everyone can participate. Let's all stand up. That's right; we do want everyone to participate in the worship service at this time! So please stand together (pause and encourage participation).

Instead of money, let's give God what He really wants— ourselves. If you are willing to give yourself to God today as your act of worship to God, please raise your hand toward heaven and keep it raised.

Money makes a great offering, but the best offering is to give yourself to God. Today I invite everyone to participate by giving not just money, but yourself, to God. This is true worship.

After we dedicate ourselves through silent prayer, please be seated, and the deacons will receive the tithes and offerings.

Eastgate Church News & Events

This Sabbath, March 4 ~ Dr. Roger Seheult will share two presentations titled:

Simon's Feast and Light as Medicine

The first presentation will be shared at the 9:00am & 11:30 am worship services.

The second presentation is geared for all in the community and will be shared at 3:00pm. Bring a friend to hear:

Average Americans spend 93% of their lives, indoors ...

- What are we missing as a result?
- Exploring the invisible light spectrum.
- Latest research on the health benefits of exposure to sunlight.
- It's about more than vitamin D!

See more information on our bulletin boards!

Dr. Seheult is board certified in four areas of health care. To see more about his professional biography please see the small posters on the bulletin boards of the church.

If you like, bring something to share at a smaller potluck so you will not have to go home to eat and then hurry to get back! Join together in the fellowship room!

Safety Sabbath — March 25

Safety Sabbath is an opportunity for Seventh-day Adventist Churches to focus on safety issues and create a safer environment for their congregation. Each year Adventist Risk Management, Inc. (ARM) provides churches with resources to help them focus on a specific area of safety. **Eastgate SDA** will be setting aside some time during the morning of **March 25**. We will share more with you as we get closer to that date.

Outdoor Projects – THIS SUNDAY!!! – Work Bee Sunday March 5 – 9:00am >noon.

We will be preparing for spring by doing winter time trimming of shrubs and trees. We will need your assistance again in some cases to trim and in other cases to pick up what has been trimmed! If you could assist it will save from having to hire contracted help as we move forward with several projects such as Parking Lot expansion and several other projects. Thank you!

We would also appreciate your help in taking care of our church facilities. If you participate in an event where food or drink are part of the process or inside<>outside traffic is involved; will you help by making sure that spills are cleaned up immediately? If we could monitor our comings and goings so as to reduce excess yard debris being tracked indoors? When spills, mud, dirt, etc. are left for someone else to clean long term damage often occurs. Thank you for your conscientious acts of service.

Spring/Summer Grow Groups?

Planning for a New Group or a Repeat Group?

There have been some amazing groups that we have seen impact our church and local community since Pastor Luke started us down this pathway of Small Groups or Grow Groups. We invite you to start thinking about what type(s) of group(s) you would like to create and share in for the summer!

Children's Ministries

The Children's Ministry Team wants you to know, our team is doing something this year we've not done before. We have committed to praying for all of you, for the families with children in our church, every day this year. We believe Jesus wants to move mountains on our collective behalf, be they large or small, in circumstances or in our hearts, and we want to lift you up in purposeful prayer.

To that end, we want to invite you to bring prayer requests to us if you would like us to pray for something specific. You can post something on their Children's Ministry Facebook page if you would like others to see and pray for it. Or you can bring prayer requests privately to any member of our team (Tess Saruk Craig, Marisol Cabrera Crumpacker, Rhoda Ehrman, Melissa Gillham, Jessica Oltman, or Jen Davy). We will always keep these requests private and we will always remain judgement free.

Parenting, marriage, and life in general can be challenging. Financial worries, school struggles, marital discord, character development concerns, parenting neurodivergents, mental health struggles, medical problems, spiritual battles, discipline issues, work issues, and more... we will all face at least one of these at one point or another. Jesus loves you deeply and profoundly through it all, and our team loves you too, and we are committed to lifting you up to God in prayer every single day. As the old hymn says, "Have we trials and temptations?... take it to the Lord in prayer." We want to do just that, with you and for you.

So please freely bring prayer requests to us at any time, and know you are being prayed for daily.
With love, ~ Your Children's Ministries Team

Expansion of Support Teams for Audio/Video and Live-Streaming ~ Help Needed!

Our Audio/Video teams could use more help. This is one area of ministry where more experienced operators would help to lighten the load.

Brian Hartman who leads the Live-Streaming Team is also looking for one or two more individuals who would be willing to learn and assist in the ministry of our On-line Worship Service.

There are those who use our YouTube as an option for viewing for a variety of reasons. We need to expand the teams. The Team Leaders would gladly speak to anyone who might be interested. Contact Brian Hartman or Bob Daniel if you might be interested in learning.
