

Welcome to Eastgate SDA Church!
A message regarding this coming Sabbath!

This Sabbath we will be blessed to hear from Mrs. Paulie Rogers, author, play wright, blogger, teacher, spiritual coach and public speaker. Women’s Ministry has arranged for her to be here for a weekend of sharing. The theme for the Sabbath hours:

My House Renovated
One Room at a Time
Restored with Love

Motto text: “By Wisdom a house is built, and through understanding, it is established; through knowledge, its rooms are filled with rare and beautiful treasures.” Proverbs 24:3-4

Purpose of this ministry: **to build a relationship with Jesus for growth, healing and peace.** To see more of her ministry please visit www.restoredwithlove.com

Paulie comes to us from the beautiful north-central region of Saskatchewan, Canada. Together with her husband of 36 years, they run a large hay farm in the summer and “bush” clearing in the winter. Paulie is the author of a new book titled, My House Renovated; One Room at a Time. ***This book is a six-week bible study with an emphasis on “What it means to be remodeled in Christ”.***

The family’s nearly 120 year old Victorian Farmhouse recently received some well deserved TLC after years of neglect. Paulie says, “God wants to give us, the reader, some Tender Loving Care too. We just have to open the door and let the Master Carpenter, Jesus, in.”

Paulie has created an analogous comparison of rooms in her house to areas of our need for Jesus in them. Men and women alike will relate to this book and the presentations this weekend if you have ever remodeled a home together.

Reminder from the church office: If you are not able to worship with us in person, please remember you can follow us on the church YouTube channel, [Eastgate Adventist Church](#).

This Weekend: ***April 21 & 22: Paulie Rogers; My House Renovated, One Room at a Time***
Next Weekend: ***April 29, 2023: Pastor Eric Saylor and Communion***

Upper Columbia Conference Advance

STEWARDSHIP OF TIME (T1 of 7): We manage time for Christ and balance time for daily endeavors. Matt. 22:37 and 39 show us how to prioritize our time: "Love the Lord your God with all your heart and with all your soul and with all your mind," then, "Love your neighbor as yourself." Time with Jesus comes first; our devotional life and personal commitment is essential to learning to love God and one another.

Out of one's daily devotional life comes the strength to make it through the day. How is this done? Designate quiet time for the Creator — early morning is favorable; choose a Bible passage to read; meditate on it; then, in your prayer of needs, acknowledge and thank God for who He is, pause, and allow Him response time (prayer is a dialogue, not just a monologue); then acquiesce when He chooses to respond, via voice, another human, or circumstance. Keeping a prayer journal is an inspiring, powerful look back at how God answers and is a testimony to inspire others.

Before we can have financial peace, we must first have personal peace — seek ye first the kingdom of Heaven. The practical part of (T1) Time is Management: organizing time for family, your own life, and plans for the future.

The 7 T's of stewardship are: 1. Time 2. Temple 3. Talent 4. Treasure
 5. Trust 6. Theology 7. Testimony

Armed Forces Day Event

In recognition of the men and women who have served in uniform, we are planning a special recognition Sabbath to fall on Armed Forces Day, May 20th. On that Sabbath we would like to display photos of those in our church community or their family members who have been in service, and recognize them for their dedication. If you or a family member would like to be included in our recognition PowerPoint, we'd love for you to send a photo to the church office office@eastgateadventist.church or drop a hard copy by the church office by May 13. Along with the photo(s), please include the following:

1. The name of the person depicted
2. Your connection to them
3. A brief summary of their service dates, branch of service, and their role/rank.

Thank you for helping to take care of our church

We appreciate your help in taking care of our church facilities. If you participate in an event where food or drink are part of the process or inside<>outside traffic is involved; will you help by making sure that spills are cleaned up immediately? We would appreciate it if we could monitor our comings and goings so as to reduce excess yard debris being tracked indoors. When spills, mud, dirt, etc. are left for someone else to clean long term damage often occurs. Thank you for your conscientious acts of service.

Forss-Anderson Baby Shower

The parents of Alex Forss will host a baby shower on April 30 here in our fellowship room from 2:00 – 4:00. The couple is expecting a boy. Those who remember Alex are invited to attend.

Spring/Summer Grow Groups?

Planning for a New Group or a Repeat Group?

There have been some amazing groups that we have seen impact our church and local community since Pastor Luke started us down this pathway of Small Groups or Grow Groups.

There is a new group coming ~ with the arrival of May, Carol Hargreaves will lead out in a needle felting activity group. They are considering whether to meet Sunday or Thursday evening. There will be a limit of 12 members. Carol is excited as she has several “fun” activities planned. Sign-up in the lobby!

Collegiate & Young Adults

Sabbath Morning Bible Study

Collegians and young adults (or young at heart) are invited to come for breakfast at 9:30am every Sabbath morning and stay for an engaging Bible study. We read a chapter of the Bible together and then dig deep to discuss the hard questions and figure out life applications. Come visit us at Classroom 115 and bring a friend! We are currently studying II Kings. For more information text Josh Boram (541) 870-4661 or Mary Castrejon at (360) 349-7126.

Expansion of Support Teams for Audio/Video and Live-Streaming ~ Help Needed!

Our Audio/Video teams could use more help. This is one area of ministry where more experienced operators would help to lighten the load.

Brian Hartman who leads the Live-Streaming Team is also looking for one or two more individuals who would be willing to learn and assist in the ministry of our On-line Worship Service.

There are those who use our YouTube as an option for viewing for a variety of reasons. We need to expand the teams. The Team Leaders would gladly speak to anyone who might be interested. Contact Brian Hartman or Bob Daniel if you might be interested in learning.
