

## *Welcome to Eastgate SDA Church!* *A message from Pastor Eric Saylor*

Recently our church maintenance team has been working on a project. This project is the result of evidence of the unseen.

The church's water bill has been extraordinarily high ... even mid week, even when we haven't filled the baptistry or watered the flower beds, the meter has been running and the water bill has been extreme.

Finally it got to the point where Dwight, our treasurer who pays the bills, came to me on a very cold winter evening and said "We' *have* to figure this out, we're wasting way too much money."

So that evening he and I donned our winter jackets, located water valves, and isolated the unseen, underground leak!

The evidence led us to the proper conclusion: we have an unseen water line that needs to be fixed (you'll see the repair in process soon!)

Scripture speaks of "evidence of the unseen" as well. This evidence is Faith.

This Sabbath we're continuing our study in the book of Hebrews as we dive into the first two verses of its most famous portion: chapter 11. Please join us, whether in person or online, as we explore another installment in our series on the Letter to the Hebrews entitled "Evidence of the Unseen."

Early service starts at 9:00, Sabbath School begins at 10:15, and Second Service at 11:30, in person [and on YouTube](#).

I hope you can join in and I pray you have a restful Sabbath!

~Pastor Eric

### Eastgate Church News & Events

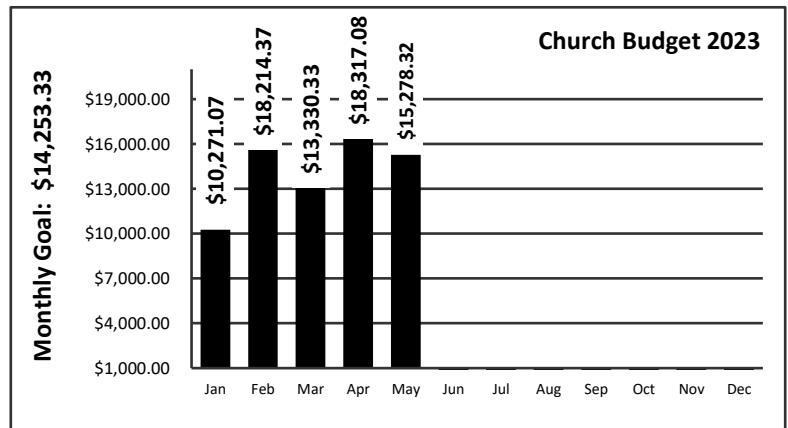

**June 3, 2023**

**Local Church Budget**

It's that time of year when school graduations take place. You, or someone close to you, may have already celebrated this milestone, or perhaps it's just around the corner.

Graduations matter! They mark a significant accomplishment—the culmination of years of study, hard work, and hopefully, worthwhile education along the way. The regalia might look funny, but it represents something. For some, graduation is a miracle they once thought might be impossible. For others, it's the expected result from their investment.

And then what?

The day after graduation might mean starting a job or maybe continuing with more schooling. Time marches on. Even with photos and video clips of graduation, you must still face another day. As you look back, one question that often surfaces is, “Was it worth it?” Did all the time and money and study pay off, or was it merely a passing chapter of life with little to show for all the investment made?

That’s true for all of us, whether or not we’re formally graduating.

What do you have to show for the investments you’ve made? God repeatedly reminds us to invest in Him and in others for eternity. Is it worth it? It actually turns out to be more than a passing chapter of life. It is life—and eternal life at that. The investment of our time, temple, talent, and treasure (the pillars of stewardship) pays off when we take it to graduation and beyond.

## President's Report

### Jesus Changes Everything

By David Jamieson, *UCC President*

There's an incredible story found in Matthew chapter 8:1 where it says, "When Jesus came down from the mountain, large crowds followed Him."

Now if you know your Bible at all, you'll recognize that in Matthew chapters 5 through 7, Jesus had just preached the greatest sermon that was ever preached on planet earth. He had just preached a sermon to thousands of people up on a mountain, a message we call the Sermon on the Mount.

The Gospels indicate He came down from the mountain to the edge of the sea of Galilee near the village of Capernaum, and the crowd was so large that He had to step into a boat and use it as a pulpit. But there was someone at the back of the crowd listening to every word that fell from the lips of Jesus. *To continue reading this devotional, visit [news.uccsda.org/devotional523](https://news.uccsda.org/devotional523)*
