

## *Welcome to Eastgate SDA Church!* *A message from Pastor Eric Saylor*

When I was a kid my parents desired that I grow strong and healthy, as all good parents do.

In pursuit of this goal they regularly prepared quality salads for me, intending to infuse my body and brain with nutrients in support of healthy mind development and physical growth.

As they did so, however, they made a critical error: they put tomatoes in the salads.

This was unacceptable, disgusting, and nauseating. The acidically-sweet, slimy tomato juice got all over the lettuce and other salad ingredients, adulterating what would have otherwise been an acceptable part of the well-rounded meal.

I couldn't accept it.

There are things God can't accept, too.

In Hebrews 11 scripture refers to an Old Testament story where God found one thing acceptable and the other not.

Worship with us this Sabbath as we continue exploring The Letter to the Hebrews and study about Abel's faith in Genesis 4.

Early service starts at 9:00, Sabbath School at 11:15, and Second Service begins at 11:30. If you aren't in the area or aren't feeling well [please join us online for second service!](#)

I pray that you have a blessed and restful Sabbath!

~Pastor Eric

### Eastgate Church News & Events

**June 10, 2023**

**NAD Women's Ministries**

Women are specifically designed by God to meet the needs of other women. Women's Ministries is the best way to connect the church with unchurched women in your community and introduce them to Jesus Christ.

Across the North American Division, from the United States to Canada and from Bermuda to Guam-Micronesia, the women of the church are engaged in serving

others. They give Bible studies, hold evangelistic series, and minister to those in shelters for battered and homeless women. They provide for the needs of families seeking refuge on our shores from oppressive regimes, teach English as a second language classes, tutor school children, and make bags of love for children who are displaced from their homes or their parents. The women of the church are making a significant difference in their communities and their congregations.

COVID didn't slow down ministry, it just moved it online. Local, Conference, Union, and Division women's ministries offered online and live webinars, retreats, and seminars. Zoom became the place to get together to talk, study, discuss books, and pray together.

Established in 1898 at the urging of Ellen White, the Women's Ministries Offering funds evangelistic outreach events and leadership training for women across the North American Division. These women partner with God in service through ministries that seek to encourage, equip, and challenge girls, teens, young adults, and women to grow deeply in God and serve Him uniquely with their gifts and talents.
